

## CPD Lectures and Seminars

Andrew is a regular lecturer and trainer within his areas of expertise to practitioners and MSc students and he has lectured widely in the North and in London to the Society of Construction Law, CI Arb, RICS, Lawyers and Insolvency Practitioners as well as to construction and engineering professionals. Recent examples include

- Cradle to the Grave demonstration arbitration case study
- Expert witnesses and their role in dispute resolution – the use of language and some basic points
- Mediation – the role of the mediator, his or her selection and the role of the parties in construction, property and commercial disputes
- Adjudication core principles and possible future directions
- Insolvency law the new regime affecting construction businesses
- Msc Construction law and dispute resolution: Comparison of French and British Approaches to dispute Resolution (Paris)
- Claims under and outside of the construction contract
- The liability of Construction Professionals for breach of contract and duty in negligence
- The professional liability of Officeholders
- Landlord and Tenant Act 1954 reforms
- Professional liability of Office Holders – a presentation for a leading Insolvency group.

Andrew's terms and conditions for seminar provision to groups of practitioners are available on request by emailing [andrewnoble@NobleADR.com](mailto:andrewnoble@NobleADR.com)
